Enter Help Text

Note it helps you
answer the question

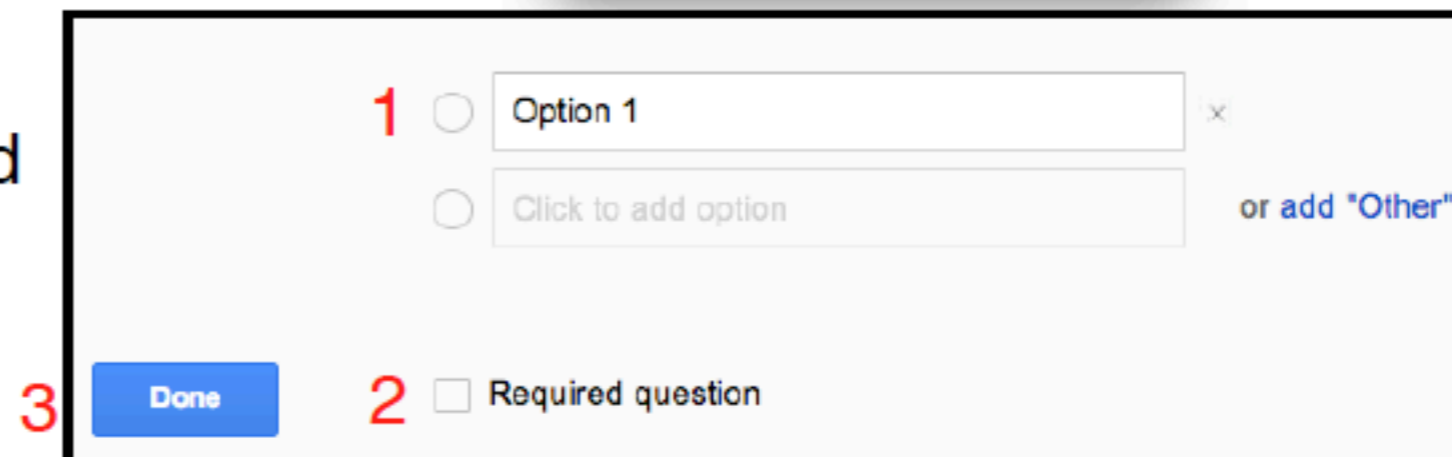

A screenshot of a question editor interface. It features two input fields: "Question Title" containing "Untitled Question" and "Help Text". To the right of these fields is a toolbar with three icons: a pencil (labeled "Edit"), a document with a plus sign (labeled "Duplicate"), and a trash can (labeled "Delete"). Green arrows point to the input fields, and black arrows point to the toolbar icons.

Choose the Question Type

- Text
- Paragraph text
- Multiple choice
- Checkboxes
- Choose from a list
- Scale
- Grid

- 1 Enter the Options
- 2 Choose if it's required to be answered
- 3 Click Done when finished

A screenshot of the options configuration interface. It shows a list of options with radio buttons. The first option is "Option 1" with a red "1" next to it. Below it is a "Click to add option" button. To the right of the options is a blue "Done" button and a checkbox labeled "Required question" with a red "2" next to it. A blue link "or add 'Other'" is also visible.
